## EXPERIENCE

11/2022–Present | *Junior Graphic Designer, Creative*

### Engine Room

An advertising agency made up of a small team of young people. I work here as graphic designer and help with the creative, as it is a small agency and anyone's opinion is welcome. I create graphic materials of all kinds here, from corporate identities to marketing and promotional materials to client presentations and creative.

6/2022–Present | *Art Director*

### Viola Theatre

A small theatre in the centre of Prague, for which my colleagues and I are creating a new visual identity, social media communication and other materials that contribute to a coherent corporate identity.

2018–Present | *Graphic Designer, DTP*

### Esprint

A screen printing company where I act as a designer when needed. Mostly, however, I am in charge of preparing graphic data for printing and cropping.

6/2022–8/2022 | *Junior Graphic Designer*

### WMC | Grey

I was an intern at Grey. My work included graphic work on advertising campaigns, creating previews for competitions, editing presentations, and creating graphic designs according to corporate identities.

4/2018–4/2018 | *School practise*

### Studio Činčera

Studio focused on packaging design. I worked there as a temporary worker during my school practice. I was able to see and experience the whole process of packaging production.
